NANTES DESTINATION: THE LAND OF THE BOLD

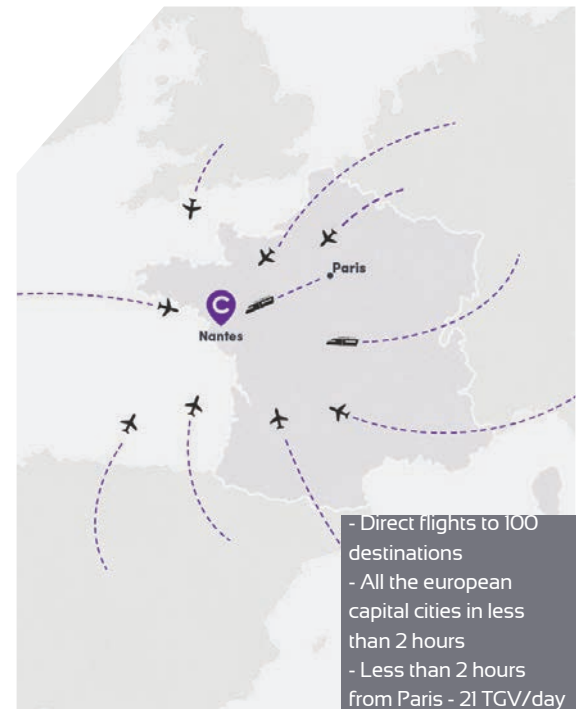

A fast-growing city on the French Atlantic coast, Nantes with its booming economy and thriving cultural scene is one of the new up and coming European destinations.

The audacious city has become a favourite amongst business meetings organisers. Nantes and La Cité Nantes Congress Centre offer a wide selection of imaginative and sustainable solutions for organising all events.

1st European Green Capital in France, Nantes is an eco-friendly city that successfully combines respect for environment and quality of life. It is the ideal place to meet people, exchange and share ideas.

Nantes is the birth place of Jules Verne. Its audacity, imagination and collective spirit make it a highly attractive destination for event organisers.

This is no surprise, The Sunday Times once described Nantes as «the loopest city in France!»...
